Beechview Academy School Uniform Policy

It is our school policy that all children wear school uniform when attending school, or when participating in a school-organised event outside normal school hours. We provide a complete list of the items needed for school uniform on our school website and a list is supplied as an appendix to this policy.

1. Aims and Objectives

Our policy on school uniform is based on the notion that school uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- is practical, affordable and smart;
- identifies the children with the school;
- prevents children from coming to school in fashion clothes that could be distracting in class;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and good value for money by most parents;
- is designed with health and safety in mind.
- Clarify our expectations for school uniform
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010

2. Our school's legal duties under the Equality Act 2010 and Human Rights Act 1998

The Equality Act 2010 prohibits discrimination based on protected characteristics, including age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment. In developing and implementing this policy, the governing board will also have regard to its obligations under the Human Rights Act 1998, alongside safeguarding and health and safety requirements. [Equality Act 2010](#)

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in a way that is reasonable and appropriate for school and makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment
- Allow pupils to wear headscarves and/or other religious garments
- Allow pupils with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs
- Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the Office Manager, who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis and at the headteacher's discretion.

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable and provides best value for money, in line with the Department for Education statutory guidance on the cost of school uniforms, updated in July 2026. [guidance](#)

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible
- Limiting items with distinctive characteristics to low-cost and/or long-lasting items, such as ties
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Considering alternative methods for signalling differences in groups for interschool competitions, such as creating posters or labels
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Limit on compulsory branded items

From 1 September 2026, the Education Act 1996, as amended by the Children's Wellbeing and Schools Act 2026, limits primary schools to no more than three different compulsory branded items of school uniform, including PE kit, during a school year.

For this purpose, a branded item includes an item carrying the school name or logo and an item which, because of its colour, design, fabric or other distinctive characteristic, is only available from particular suppliers. Items required for lessons, clubs, activities, events, travel to and from school, bags and seasonal uniform can all fall within the limit.

Beechview Academy keeps compulsory branded items to a minimum. Where this policy permits a plain or generic alternative that can be purchased from a range of retailers, the branded version is optional. The school tie is a compulsory school-specific item. Branded Beechview jumpers, sweatshirts and PE tops are optional because suitable plain alternatives are permitted.

Any future change to the uniform will be checked against the statutory branded-item limit before it is introduced. Optional branded items will be kept to a minimum and a generic alternative will be permitted wherever appropriate.

Second-hand uniform and support with costs

The school will ensure that opportunities to acquire second-hand uniform are freely accessible to all parents and carers, including families of prospective pupils. A uniform 'swap shop' is available all year round. Parents can arrange access to items by contacting the school office.

Families experiencing difficulty meeting the cost of uniform are encouraged to contact the school. Requests will be handled sensitively and discreetly, and the school will consider appropriate practical support or flexibility.

4. Expectations for school uniform

Our school's uniform

The following items comprise our school uniform. Unless specifically stated otherwise, items may be purchased from any retailer. A school-branded version is optional where a plain alternative in the stated colour and style is permitted. Appendix 1 identifies the required items and available alternatives.

- Dark grey/black skirt, pinafore or trousers (No leggings)
- Grey, White or black socks/tights
- Mid grey trousers/shorts
- White shirt/polo shirt (long or short sleeve)
- School dark green cardigan, jumper or sweatshirt
- School tie (Compulsory)
- Plain black (Velcro, buckle or lace up) shoes or sandals. Trainers are not encouraged but plain black ones will be tolerated (no branding/patterns or colour allowed). Sensible black school shoes should have a heel less than 5cm.

Summer alternative

- White polo shirts
- Green gingham dress
- Grey or black shorts
- Ties are not compulsory on really hot days

Our school PE kit comprises the following items:

- Plain black or dark green shorts or trousers
- Plain white, deep green or Beechview t-shirt
- White or black socks
- Plimsolls or trainers
- Plain black or deep green tracksuit in cold weather
- Beechview jumper or sweatshirt

Swimming:

- An appropriate swimsuit safeguarding the privacy of the wearer.
- Swimming cap
- Towel

Changes to swimwear for religious reasons or if individuals are experiencing discomfort related to their sex, gender or gender reassignment reasonable adaptations will be allowed at the headteacher's discretion and dealt with on a case by case basis.

Uniform Availability

School-branded uniform is available from SportCrest and can be ordered online. Parents and carers may purchase generic items from other retailers where the policy permits. The school will review its supply arrangements with cost and value for money as the highest priorities and will ensure appropriate written arrangements are in place for branded items.

Jewellery

- In accordance with the Local Authority requirements on health and safety, we do not allow children to wear jewellery.
- The exceptions to this rule are small, simple studs in pierced ears but children must be able to remove them themselves or have them taped over; small objects of religious significance or wristwatches. "Smart" watches are strictly prohibited.
- Any item of jewellery must be removed for P.E and games activities. Any loss or damage is the responsibility of the parent/carer of the child. Any legal liability arising from an accident involving a child wearing jewellery to school or expensive jewellery will be the responsibility of the parent/carer of the child.
- If children do attend school with jewellery, they will be asked to remove objects before Physical Education lessons or any other lessons where the wearing of such items constitutes a potential safety risk. Teachers and other members of staff do not take responsibility for the safekeeping of jewellery which has been removed.
- If a child wishes to wear an item of jewellery as part of religious observance, permission must be sought from the headteacher.

Hair/ Make-up

Hair should be neat, safe and suitable for participation in school activities. Mid to long hair should be tied back where this is necessary for health, safety or practical reasons, using a simple bobble or scrunchy. The school will not apply hair expectations in a way that discriminates on the grounds of race, religion or belief, disability or any other protected characteristic. Requests for reasonable adjustments or variations linked to a protected characteristic will be considered sensitively and on an individual basis. Hair colour and accessories should be appropriate for school and should not create a health or safety risk or materially disrupt learning.

The wearing of make-up, including nail varnish of any kind (e.g. gel, polygel, acrylic, etc) or false nails of any kind, is not permitted. Likewise, the wearing of temporary tattoos is not acceptable.

Footwear

The school wants all children to grow into healthy adults. We believe that it is dangerous for children to wear shoes that have platform soles, high heels or open toes, so we do not allow children to wear such shoes at school. Heels should be no higher than 5cm. School footwear needs to be in keeping with the smart appearance of the school uniform and black in colour.

5. Expectations for our school community

Pupils are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- On the school premises
- Travelling to and from school
- At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required)

Pupils are also expected to contact the headteacher if they want to request an amendment to the uniform policy in relation to their protected characteristics.

Role of Staff

Staff will closely monitor pupils to make sure they are in the correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but will follow up with the headteacher if the situation doesn't improve.

Ongoing breaches of our uniform policy will be considered by the Senior Leadership Team. Any response will be reasonable, proportionate and consistent with the school's Behaviour for Learning Policy. Before taking action, the school will consider the pupil's individual circumstances, including financial hardship, SEND or medical needs, religious requirements and other protected characteristics. The school will work with families to resolve concerns and remove barriers to compliance.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

Uniform and attendance

A pupil should not miss education because their family is experiencing temporary difficulty providing the correct or clean uniform or PE kit. Where uniform difficulties may affect attendance, the school will work with the pupil and family to identify appropriate support. This may include short-term flexibility, access to second-hand uniform or other practical assistance. Uniform expectations will be implemented in a way that supports good attendance and inclusion.

The role of Parents

We ask all parents who send their child to our school to support the school uniform policy. We believe that parents have a duty to send their children to school correctly dressed and ready for their daily schoolwork. One of the responsibilities of parents is to ensure that their child has the correct uniform, and that it is clean, in good repair and named.

If any parent would like the school to modify the uniform policy, they should make representation, in the first instance, to the headteacher. The school welcomes children from all backgrounds and faith communities. If there are serious reasons, for example on religious grounds, why parents want their child to wear clothes that differ from the school uniform, the school will look sympathetically at such requests.

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Non-Compliance

It is our aim to work with families to overcome difficulties with non-compliance of this policy. At all times, we are willing to consider reasonable requests for flexibility to accommodate particular social and cultural circumstances. In this instance, parents should at first make representations to the Headteacher.

If a pupil is not wearing an item of uniform as identified in this policy or has made unreasonable alterations, the class teacher will get in touch with parents.

If this is a continuing issue more formal correspondence will be adopted moving forward.

Where non-compliance continues despite support and reasonable opportunities to resolve the issue, the school may respond in accordance with the Behaviour for Learning Policy. Any sanction will be proportionate to the circumstances. The school will not use uniform expectations in a way that creates an avoidable barrier to attendance, and will consider affordability, reasonable adjustments, SEND, medical needs, religion or belief and other relevant individual circumstances.

The role of Governors

The governing body supports the headteacher in implementing the school uniform policy. It considers all representations from parents regarding the uniform policy and liaises with the headteacher to ensure that the policy is implemented fairly and with sensitivity.

It is the governors' responsibility to ensure that the school uniform meets legal requirements relating to equality and human rights, complies with the statutory limit on compulsory branded items, and has regard to the Department for Education statutory guidance on the cost of school uniforms.

The governors will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils

Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hard wearing, safe and practical.

6. Monitoring and reviewing

The governing body monitors and reviews the school uniform policy through its committee work by:

- Seeking the views of parents, to ensure that they agree with and support the policy;
- considering, with the headteacher, any requests from parents for individual children to have special dispensation with regard to school uniform;
- requiring the headteacher to report to the governors on the way the school uniform policy is implemented.
